

MISS BULLARD SPEAKS AT RED CROSS MEETING

Third Annual Meeting Of Local Chapter To Be Held Wednesday Night

REPORTS OF YEAR'S WORK TO BE GIVEN

Meeting Will Be Held In The Court House And Is Free To All Persons

The third annual meeting of the local Red Cross Chapter to be held Wednesday evening of this week at 8 o'clock in the court house offers an unusually attractive feature to the Red Cross members of Mt. Vernon and Knox county.

The speaker furnished for this occasion by the Lake Division Bureau is Miss Florence Bullard, a graduate nurse, who enlisted for foreign service early in 1916 and served continuously with the French Army until hostilities ended on November 11, 1918. She was attached to the French Evacuation Hospital, treating the Sixth French Army and advanced and retreated with the army as necessity demanded, for two entire years, serving during the battles of Soisson, Chateau Thierry, Villars, Cottrel, Fismes, Mont Notre Dame. During the last eight months she was directly behind the firing line and in 1918 was awarded the Croix de Guerre by the French Government and citation for bravery under shell fire. Miss Bullard is one of the very few American nurses who were thus rewarded.

Since her return to the United States, she has lectured on the Chautauqua platform in most of the southern and central states and because of her exceptional ability as a speaker, has been re-engaged by the Redpath Chautauqua Company for the season of 1920.

During the last six weeks Miss Bullard has given invaluable service in the roll call campaign in Ohio and is described by the director of the Lake Division speaker's bureau as one of the strongest speakers they have on their list. In addition to her interesting story of over seas service she is thoroughly informed on all phases of the peace time program of the Red Cross and you will be interested to hear what the Red Cross has to offer in its new lines of work.

Be sure to make your plans to come. Admission is free, and every one is invited.

KING OF ITALY IS COMING TO THIS COUNTRY

[By Associated Press to The Banner] ROME, Nov. 29—King Victor Emmanuel will go to the United States next summer, and also will visit South America, especially the republics of Brazil, Uruguay, Argentina, Chile and Peru, unless the political situation prevents him from carrying out his desire.

The tentative plan is that the king will be accompanied by Premier Nitti and that he will first proceed to the United States during the summer, which is the slack season here, and afterwards proceed to South America.

Victor Emmanuel desires especially to return the visit President Wilson made to him in Rome.

MAY FESTIVAL TO BE DISCUSSED AT MEET OF CHORUS

Singers Must Attend The Rehearsals Or Festival Will Be Given Up

An important rehearsal of the Festival Chorus will be held tonight at the Baptist church at 7:30 sharp.

At this meeting, according to a statement made on Monday by Director W. M. Coup, the future of the chorus will be discussed and an effort made to determine whether it is possible to have a successful festival this year.

"The attendance at rehearsals thus far this year," said Mr. Coup, "has been very disappointing. Many of the old members have not thus far put in an appearance, and the number of new singers has not by any means made up for the loss. Unless more interest is shown, and shown at once, it is useless to attempt to continue the organization."

The five May festivals which have been given by the association have drawn state-wide attention to Mt. Vernon as a musical center. That it would be a serious blow to the community to disband the chorus is acknowledged by all. But unless the high standard set in former years can be maintained, and a chorus of 100 to 125 secured, the officers of the association are a unit in agreeing no festival will be given this year.

Singers who are unable to attend the rehearsal tonight, but will agree to come in the future, have been asked to notify Mrs. C. H. Crumley.
